

## **Bison Charm**

*for the Buffalo Field Campaign*

The bison are roaming  
The bison are roaming  
The bison are roaming  
The bison are roaming

The bison are free  
The bison are free  
The bison are free  
The bison are free

We cannot hold them  
We cannot hold them  
We cannot hold them  
We cannot hold them

No one can hold them  
No one can hold them  
No one can hold them  
No one can hold them

The bison will always be  
The bison will always be

And it's like this And it's like this  
And it's like this And it's like this  
And it's like this And it's like this  
And it's like this And it's like this
