

I, THE VAST
FOREST and SWAMP
of PANGEA,
in what is now Southern Illinois,
being
350 MILLION years of age, and
being
of Sound Body and Mind
however
DECAYED,
COMPRESSED, and
FOSSILIZED,
do hereby bequeath
the CARBON of my remains, my
LEAVES, SCALES, SPORES, LIGNIN and CELLULOSE,
including
Insectivora, Fungal and Bacterial Coinhabitants and
Relations
to be
to The Earth and to All Species
BURIED in PERPETUITY
so that all LIFE may continue to enjoy
the Atmosphere
with which LIFE has evolved.
